

**LIFE GROUP QUESTIONS
for the Week of August 3, 2025**

WE BELIEVE
in One Holy, catholic, and apostolic Church.

1. What is/was the most exclusive club you have ever been a part of? What were the requirements to get in? What was your membership experience like?
2. Have you ever experienced what it feels like to be excluded from something? Is there an example from your life that comes to mind? How has that experience impacted who you are?
3. Have you ever had to answer the question, “*What is the church?*” How did you answer? And if you never have been asked, how do you envision you would like to answer that questions?
4. **HOLY:** If the church was created to exist as “set apart” from the world around it so that it may reflect Jesus, then what to you is the most compelling quality of church that you think those on the outside might find endearing?
5. **CATHOLIC:** If the future vision for the church is universal wholeness as the image of God, how does that impact the way Christians ought to live here and now?
6. **APOSTOLIC:** What’s one way you’ve seen faith passed on faithfully—by a person, church, or family member? How did that Apostolic act impact your life? How should that challenge us as Christians within the church, today?
7. **CHURCH:** How does our sermon this week impact the way you think about church? What can we be praying about together for the church as we move forward?
