**MSC** Authorize Pastor Greg to assess with plumbers whether the “jetting process” to attempt to temporarily clear the blockage for a cost of \$1,200 is advisable or if the permanent solution for an estimated cost of \$7,000 - \$9,000 can be executed soon. Further, to authorize Pastor Greg to contract for the permanent repair of the blocked pipes at an estimated cost of from \$7,000 - \$9,000 and to make the selection of which company to use based on soonest availability, and cost.

Personnel – Reviewed status of prior approved positions of Youth Director and Preschool Coordinator. Offer letters will be prepared and signed for those positions and their accrued pay will be paid.

**MSC** to extend month-to-month contract for current Youth Director until we have formalized the skill set required and job description for the part-time Youth Director.

Reviewed proposed position of Digital Media Coordinator to facilitate communications between staff and Web designer and determine priorities for our Web site developer.

**MSC** to offer the position on a month-to-month basis to Lauren Turek for \$400/mo plus photography fees.

Discussed benefits of live streaming our worship service. This has been a goal of Session for some time now. We have a limited time offer to set up live streaming from a very qualified individual who grew up in his faith in this church with Pastor Banning and is willing to help us launch the project for an extremely discounted pay rate. Discussed the proposed position of Sunday Production Coordinator. An equipment investment of \$5,000 - \$8,000 is needed. Mason Munari would commit to launch live streaming for one year while training our people to take over the live streaming production.

**MSC** to offer Mason Munari the temporary position of Sunday Production Coordinator, with a stipend of \$200/wk – for three weeks per month.

Finance – Discussed year-to-date financial reports. Discussed Christmas Love Offering for staff – tabled this until Tuesday prayer. Discussed 2026 budget. Discussed need to change Investment firms for the Church 403(b)(9) employee retirement plan.

**MSC** to contract with Guidestone for our 403(b)(9) plan and to designate Greg Coppock as Plan Administrator. Beth will help with the set up and initial implementation.

## **FOR THE GOOD OF THE CHURCH**

Vision Casting – Pastor Banning and the Elders will begin working with each ministry to help them articulate where they are headed in the next 1 – 5 years, the challenges and opportunities they face, and how this fits with and supports the vision for our church.

Session adjourned to Executive Session at 10:00 PM

Respectfully submitted,  
Beth Deutsch, Clerk of Session

**Next regularly scheduled meeting of Session will be January 27, 2025**
