

PEOPLE OF THE EMPTY TOMB

EASTER SUNDAY

Life

Have you ever walked into a situation where you expected the worst, only to find the best?

What is one profound moment from your life where God delivered you?

Theology

Read John 20:1–16

- What does Mary expect to find at the tomb? What do you imagine her thoughts and emotions were as she approached the tomb?
- When the tomb is discovered to be empty, Mary's mind goes straight to thievery instead of resurrection. Do you think most people would do the same? What can we learn from Mary's response to the empty tomb in comparison to our own?
- Jesus calls Mary by name. He calls us by name. How does this impact you? Does it mean anything?

Read 1 Corinthians 15:54-57

- How can the impact of this passage change the way we, as Christians, live?

Read Hebrews 7:23-25

- What does this passage teach us about how we view Christ in the context of our world?

In Practice

What was your biggest takeaway from Holy Week this year?

What are you learning about living into the resurrection reality? How is God shaping your life through it's most recent season?

What are some practical ways we can nurture the reality of resurrection in our daily lives?
